HIGH WEST ENERGY

LINEMAN SCHOLARSHIP

Powering the next generation of lineworkers.

High West Energy is committed to supporting individuals pursuing careers in the electric utility industry. The Lineworker Scholarship helps offset educational costs for students enrolled in a lineworker training program and preparing for a rewarding career in the energy industry.

Eligibility & Requirements

- ☑ High West Energy member, dependent of a member, employee, or dependent of an employee
- ☑ High school diploma or GED + enrollment in, or acceptance to, an accredited lineworker training program
- ☑ Completed online scholarship application
  - Transcript or GED documentation
  - Two Letters of Recommendation
  - Short personal statement describing career goals and interest in the lineworker profession
