

DON BRUNNER MEMORIAL SCHOLARSHIP

This scholarship aims to honor the contributions of past lineworkers by supporting aspiring individuals in the field. It provides financial assistance to students committed to becoming electrical lineworkers, demonstrating strong academic performance, dedication to community service, and the values essential to the profession. This scholarship seeks to inspire and cultivate the next generation of skilled and dedicated lineworkers.

Don Brunner dedicated 44 years to the rural electric industry, retiring in 2011 after 27 years as General Manager of High West Energy. Don helped establish the Powerline Technology Program at Western Nebraska Community College and believed strongly in the opportunities it provided future lineworkers. This scholarship was created in his memory to continue that legacy.
