Job Title: UAV (Unmanned Aerial Vehicle) Intern	Posting Time Frame:
Reports To: Senior Technology Engineer	May 10, 2023 – Until Filled

High West Energy is recruiting a summer intern with a desire to learn about the electric utility industry and the UAV program. This position will not include our full-time benefits package but has the possibility of developing into a full-time apprenticeship with High West. The following position will be posted until filled. If you are interested or have questions, please contact Carol Macy at 307-365-6065. Applications and Resumes should be submitted through our website at <https://highwest.coop>. The position is based in Pine Bluffs, WY.

POSITION SUMMARY:

Responsible for assisting the Senior Technology Engineer and Senior UAV Pilot.

ESSENTIAL DUTIES AND TASKS:

1. Exudes our core values: Friendly, Innovative, Integrity, and Hardworking.
2. Communicates our mission, goals, and strategies.
3. Exhibits excellent customer service internally with customers and members and internally with co-workers (cooperation, timely paperwork, etc.).
4. Assists in maintaining the security of the company's assets and data from hazards, including physical and cyber.
5. Learn the daily operations of the UAV Inspection program. This will include working with employees from other departments within the organization in order to gain knowledge about the UAV Inspection workflow process and the types of issues commonly found through inspection.
6. Learn to care for, maintain and fly a UAV.
7. Gain knowledge of the UAV systems, tools, and processes.
8. Review UAV Inspection data.
9. Identify and report issues found through UAV line inspection.
10. Perform other duties as assigned.

SPECIALIZED SKILLS, ABILITIES, AND KNOWLEDGE:

- The incumbent must be able to pass any required drug tests, alcohol tests, new hire physical examinations, and background checks. The incumbent must be able to maintain the confidentiality of any information s/he encounters.

- Knowledge of the Microsoft Office Suite of applications.
- Excellent communication skills.
- Excellent organizational skills.
- Ability to multi-task.

QUALIFICATIONS:

- Valid driver's license.
- High School diploma or GED equivalent.
- Must be 18 years of age or older by June 30th, 2023.

We are an Equal Opportunity Employer, Females/Minority/Veterans/Disabled/Sexual Orientation/Gender Identity.
