

EV PUBLIC CHARGING (RATE 92)

Applicable

Available to anyone charging electric vehicles at certain Cooperative owned public EV fast charging stations (“the stations”) where the cooperative provides charging service and direct billing to the station user in accordance with the Rules of the Wyoming Public Service Commission and the Terms and Conditions of Service set forth in the Cooperative’s Rules and Regulations on file with the Wyoming Public Service Commission.

Available

The stations may be accessed by any person (“user”) who resides within or outside the Cooperative’s service territory. EV charging services will be available at the Cooperative-owned stations installed at Company or Host locations. The stations will be accessible to the public for charging.

Type of Service

Single-phase, 60 hertz, at available secondary voltage.

Monthly Rate

[See Service Rates Summary Sheet No. 9.](#)

Tariff Rate Rider

[This rate schedule is subject to the Tariff Rate Rider set forth on Sheet Nos. 93, 93a, and 93b.](#)

Conditions of Service

1. The user shall agree not to hold the Cooperative liable for any loss resulting from the interruption of the charging equipment.
2. Service will be metered so individual charging times can be easily determined and billed.
